Dear Professor Dr. Bandla Pavan Babu,

I hope you are doing well.

I am writing to respectfully request a short extension for the upcoming **Digital Literacy assignment**, which is currently due on today.Due to health reasons, I have unfortunately fallen slightly behind schedule.

I have already completed the research and outlined most of the project, and I would greatly appreciate an extension until **weekend** so that I can submit work that reflects my best effort.

I completely understand if granting an extension is not possible, but I wanted to make this request just in case. Thank you very much for your time and consideration.

Sincerely,
Lakshay Chauhan
